

BakerStone Original Series Pizza Oven Box Kit

Please note that this will take you to our partner site: Maison Flair, where you can purchase this and other items.

The BakerStone Original Series Pizza Oven Box Kit transforms your BBQ grill into a gourmet pizza oven. Recommended by Oprah as a perfect gift, the pizza oven box results from a patented design that turns a five-sided stone baking chamber into a mini stone pizza oven. Also available in a smaller size, so it fits on the Kettle BBQ!

PRODUCT DESCRIPTION

The BakerStone Original Series Pizza Oven Box Kit transforms your BBQ grill into a gourmet pizza oven. The Bakerstone is the most copied pizza oven box design in the world. This is the patented original product. Recommended by Oprah as a perfect gift, the Bakerstone results from a patented design that turns a five-sided stone baking chamber into a mini stone pizza oven. It is also available in a smaller size, so it fits on the Kettle BBQ!

The BakerStone kit includes the following:

- Original Series Pizza Oven Box
- Basics Series Wood Pizza Peel
- Original Series Stainless Steel Turner/Spatula
- Dust Cover

Dimensions (Pizza Oven Box only):

- Interior of baking chamber - 15" width x 13.75" depth x 3.1" height
- Assembled product - 21.4" width x 16.3" depth x 6.2" height
