

Garden 500 Log Store

Please note that our standard log store is for our Garden Fireplace 500 (small model). This log store comes in two sections with a top part.

- 685mm width
- 615mm height
- 440mm depth

This is also available for the Hale Outdoor Kitchen. However, for the Hale, this is provided in a quantity of 3. The two sections are added to with a third section on each, then then the top part is placed at the bottom of each, as the Hale comes with it's own granite top.
