See how the Garden Fireplace looks like in your garden before you buy!

Simply point and see – it's as simple as that with our new AR Outdoor Fireplace Designer. You can see what our best selling Garden Fireplace looks like in your outdoor area to allow you use your imagination when designing your garden.

A useful app with guides on installation as well as step-by-step video guides.

This app was designed for installers to have all the information they require in a few quick clicks. This makes it easier for installers rather than having to carry paperwork during the installation process with video breakdowns of each stage of the installation process.

Download the iPhone and iPad version in the App Store and Android version in the Google Play Store.
